Have-\'nt I been good to you? Have-\'nt I been sweet to you?

Stop! In The Name Of Love before you

break my heart, Stop! In The Name Of Love before you

Think it over, Think it over.

I've known of your, your se-clud-ed nights, I've e-ven seen her may-be once or twice.
But is her sweet expression worth more than my love and affection?

This time, before you leave my arms and rush off to her charms.

I've tried so hard, hard to be patient Hoping you'd stop this infatuation,

But each time you are together I'm so afraid I'm losing you forever.

I HEAR A SYMPHONY

Moderately

You've giv-en me a true love and ev-ry day I thank you love,

for a feel-ing that's so new... so in-viting, so ex-cit-ing.

When-ev-er you are near, I Hear A Sym-phony, a ten-der mel-o-dy,

pull-ing me clos-er, clos-er to your arms... Then sud-den-ly,
your lips are touching mine. A feeling so divine.

'Til I leave the past behind. I'm lost in a world

made for you and me. Oo love me. When ever you are

near. I hear a symphony play sweet and

tenderly every time your lips meet mine my baby.
Baby, baby, I feel a joy within,
Don't let this feeling end,
Let it go on and on and on now baby.

1. Baby, baby, those tears that fill my eyes,
   I cry not for myself but for those who've never felt the joy we've felt.

2. When-er you are near, I hear a symphony each time you speak to me
   I hear a tender rhapsody of love, love.

3. Baby, baby, as you stand up holding me
   As you stand close to me,
   I hear a thousand violins fill the air now.

4. Baby, baby, don't let this moment end,
   As you stand close to me,
   As you stand close to me,
   Keep standing tenderly,
   Baby, baby.

5. Baby, baby, I hear a symphony, a tender melody.
   I hear a symphony, a tender melody.
   I hear a symphony, a tender melody.
   I hear a symphony, a tender melody.

Keep falling in And Out Of Love,
Keep falling in And Out Of Love,

In search for what I'm dreaming of,
Keep falling in And Out Of Love,

I long to find a love I'm sure about,
I keep reaching out for tenderness,

That certain kind of love that moves all doubts
Touching a hand that holds emptiness,

Keep falling in And Out Of Love,

Can't seem to find the lasting kind, It seems.

I can't find the joy I need,

Love always somehow all goes wrong with me.

Well I'm looking for a love that lingers on,
That kind of love that keeps burning bright,

Long after that first kiss is gone,
Long after we've said good-night.

heartaches he'll bring one day.

I lost him once through
This time I'll live my

time at ease being happy lovin' whom I twice, please,

'cause all advice ever's and each time we
got ten me was many make romance I'll be long and sleepless nights,

When she lost her love so true;

'Cause all advice ever's gotten me
